

Smart Product Catalogue

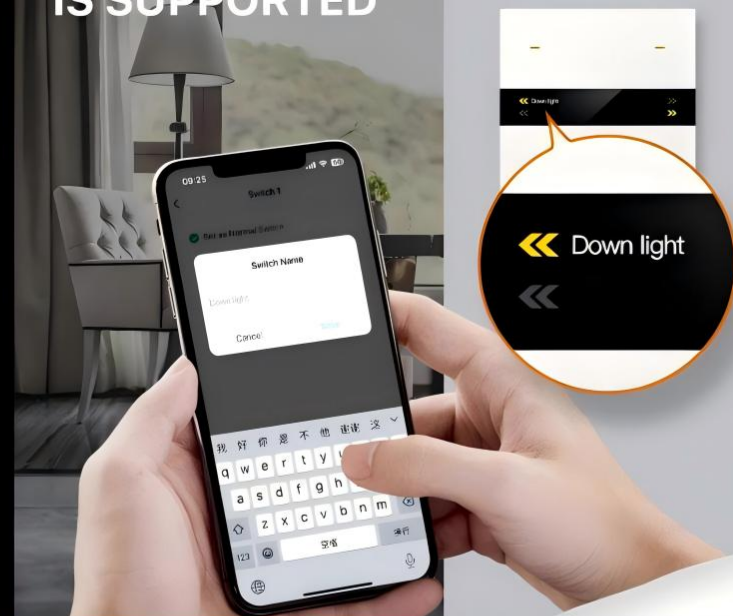

**XUNWEI Network
Manufacture**

Enables control of 4-Gang curtains

Operate up to 4 curtains to match your daily routines

APP NAME MODIFICATION IS SUPPORTED

Support Knob Adjustment

The air conditioning temperature, dimming, curtain opening and closing, music volume, etc. can be adjusted through the knob.

Adjustable light and color

Integrate voice, gateway, music and other functions, and connect with graffiti hotel system

Mobile APP Pushes Music

Synchronize with mobile music and enjoy music more freely!

Specially designed for you, simple, light, stable and smooth!

WIFI Connection

Compatible with massive devices 8 meters effective distance
